

The background is a dark navy blue. In the upper half, there are numerous thin, vertical, olive-green lines representing a dense forest canopy. On the right side, there are two stylized trees with grey trunks and bright green, oval-shaped leaves. In the lower-left corner, there is a single, smaller stylized tree with a grey trunk and a rounded green canopy. In the lower-center, the word "FORTUNE" is written in a bold, pink, italicized sans-serif font. The text is enclosed within a thin, light green oval swoosh that has a small green leaf icon at its top right end.
